### Business Vision Lunch Features Ben Malcolmson

Liberty Road Foundation is honored to have Ben Malcolmson as Keynote Speaker at its 10th Annual Business Vision Lunch.

Author, speaker, and mentor figure, Ben Malcolmson is in his tenth season as Special Assistant to Seattle Seahawks Head Coach Pete Carroll. He first met Coach Carroll when he was a newspaper reporter for USC's Daily Trojan. As a reporter for the newspaper, Ben tried out for the team to

write a feature article about walk-ons, and ended up surprising himself and countless others by making the 2006 Rose Bowl Champion football team as a wide receiver. After his one fairytale season ended, he became Director of Online Media for USC Football, where he created and managed the groundbreaking online presence for the Trojans as well as PeteCarroll.com and was a contributing writer for Sports Illustrated, The Associated Press, USA Today, and the Dallas Morning News.

A native of Dallas, Ben now

lives in a suburb of Seattle and enjoys sharing his story to motivate and inspire audiences everywhere. He has shared his unfathomable story to churches, youth groups, businesses, schools, and anyone else who desires to be inspired to discover their purpose. Ben's new book, *Walk On*, was published by Random House in 2018.
