“Seven Biblical Truths for Managing Wealth”

Business Vision Lunch Features Doug Hanson

Liberty Road Foundation is honored to have Doug Hanson as Keynote Speaker at its 2nd Annual Boise Business Vision Lunch.

Doug's faith journey began when he trusted Christ as his savior in college, eventually pursuing an MBA and working overseas in Germany for six years. Upon returning to Maryland where he worked for NASA for 9 years, he completed his Master of Divinity, quit his job at NASA, and moved his family to Papua New Guinea where he served as a missionary, teaching at a Bible college. While there, he was faced with the challenge of teaching biblical truth in a different culture, which led him to pursue a Doctorate of Intercultural Studies and write his dissertation on relevant ways of presenting Christ within a tribal context.

After 15 years, Doug returned to the States and began a ministry at Indian Bible College in Arizona where he taught and served as Director of Development for three years. As the primary fundraiser there, Doug encouraged folks to generously partner financially with the college to train future Native American Christian leaders.

Doug then returned to Idaho and began a career with Christian Wealth Management as a financial advisor, focusing on Biblically Responsible Investing (not investing in companies that profit from abortion products). He serves on the board of Lifeline Pregnancy Care Center, helping in fundraising for the ministry, and serves on the board of True Hope Church, helping lead a capital campaign for a new education wing. Doug also facilitates one-day Journey of Generosity (JOG) seminars, encouraging Christians to be generous stewards of the blessings God has given

them. Doug and Jan have been married 41 years and have three grown children and four grandchildren. Doug deeply appreciates the support of Jan and her adventurous spirit on his journey of expressing his faith.
